H-E Parts, LLC Press Release

H-E Parts, LLC, located in Oakwood, GA and marketing under the trade name of **HEP Powertrain**, is proud to announce it will open for business in August 2007. **HEP Powertrain** will provide a superior inventory of high quality new replacement parts for Caterpillar engines, transmissions, hydraulics, gaskets/sealing components, as well as parts for final drives. **HEP Powertrain's** focus will be customer satisfaction in terms of **QUALITY, VALUE and RESPONSIVENESS.**

HEP Powertrain's management team has a combined 75 years of experience in the heavy duty replacement parts aftermarket. Larry Kinn, General Manager, along with Kent Phillips and Pat Casey, as Product Managers, have acquired extensive experience working with several leading aftermarket parts companies in North America.

HEP Powertrain is the newest addition to the family of companies operated by H-E Parts International, LLC that already includes Dom-Ex, LLC, Tractoamerica, Inc., Grace Track Service, LLC and Getco, Ltd. H-E Parts International, LLC is the world's largest supplier of reconditioned equipment/components, and new replacement parts for heavy equipment used primarily in the construction and mining industries.

"HEP Powertrain is a powerful addition to the H-E Parts International family of companies. The addition of engine, transmission and hydraulic parts, seals and components round out H-E Parts International's product lines and give our customers access to quality parts at excellent prices" said J.P. Richard, CEO of H-E Parts International.
